

# TENNIS IN THE PARKS

In partnership with more than 50 Park and Recreation departments, we deliver a turn-key beginner tennis program for kids and adults on public courts. Join us today!

## Kids Programs

Focused on developing skills to serve, rally and score using modified tennis balls, age-appropriate racquets and smaller court sizes

Typically runs for 6 weeks (1-hour sessions):

Red Ball (Grades 1-2)  
Orange Ball (Grades 3-5)  
Green ball (Grades 6-8)

All players in their first session receive and keep a new age-appropriate racquet!

## Adult Programs

Focused on developing skills to serve, rally, and play tennis while getting great exercise and meeting new friends

Typically runs for 6 weeks (1.5 hour sessions)

All players in their first session receive and keep a new racquet!

## What do we offer as a partner?

- Flexible program pricing with revenue sharing
- We hire USTA-approved coaches who are SafePlay-certified and background-screened
- We provide all the equipment for the coaches/players
- Marketing support
- Collaboration with USTANE on program/details
- Programs are offered in spring, summer, and fall
