TUESDAY - THURSDAY
Pulling Together for Growth
Educational Sessions

With up to 22 Educational sessions, packed in 3 days, this conference has everything you need to *Pull your REC self together!* All sessions are designed to stretch your thinking, strengthen your skills, and spark new ideas. Just like tarp pullers, we grow stronger when we lean in, learn together, and share the weight.

TUESDAY SOCIAL
Pulling for the Win

Get ready for a mash-up of music and Bingo chance! Whether you're belting out your favorite tune or waiting on that winning number, this night is all about pulling together for team laughs and unforgettable moments.

WEDNESDAY SOCIAL
The After-Pull!

The tarp is down, but the energy's still up! Hold on tight, it's all downhill from here! Join the crew for a night of tubing thrills at Cranmore Mountain, then pull up by the fire for some gooey s'mores and warm conversations under the night sky.
